

Startup Summit 2018 Schedule & Agenda

The Startup Summit 2018 was structured to promote substantive discussion among those attending. A combination of startup masterclass, panel discussion and pitching sessions will be conducted to achieve this feat.

Startup masterclass will provide participants with up-to-date information, data, and policy changes relevant to startup development.

Panel discussions will be delivered by experts from around the country, focused on sharing their experiences, knowledge and ways to develop a better business culture.

Pitching session will be an opportunity for startups to present their ideas and gain funds for further development of their company.
